

### Outline of E-JUST

E-JUST was established in 2010 in Borg El Arab, in the suburbs of Alexandria city which is the second largest in Egypt, under the bilateral agreement between the Government of Egypt and that of Japan. Postgraduate programs (Engineering) started in Feb. 2010, while Undergraduate Programs (Engineering, International Business and Humanities) was launched in Sep. 2017.

### Basic Concept

Partnership between Egypt and Japan	Small size class, Research oriented
Practical and international standard education	Leading University to serve Egypt, Middle East and Africa

Japanese Engineering Education Model

### E-JUST in figures

No. 8 in Egypt in Scimago Institutions Ranking 2020	Awarded degree (cumulative) PhD: 215, MSc: 115	MOU with other universities (Nov. 2020)	International PG students from Africa (cumulative, Nov. 2020)	No. 1 in Egypt in number of published paper per faculty (2015,2016)	Published paper: 642 Conference presentation: 764 (2014~2019)
---	--	---	---	---	---

### History

Mar 2004 "The Second Meeting of Japan-Arab Dialogue Forum" – Discussion on establishment of E-JUST has started	Oct 2008 Project phase 1 started

June 2008 Adoption of E-JUST Project	Feb 2010 Enrollment of 1 <sup>st</sup> batch PG students
	Sep 2017 Enrollment of 1 <sup>st</sup> batch UG students

### Student's Voice

E-JUST is the unique university where we can experiment with well-equipped environment. Also we can learn Japanese way of thinking through Japanese language class. (Student: Faculty of Engineering)

I am inspired by interactive, small size classes. Learning Japanese culture in E-JUST is also interesting. (Student: Faculty of International Business and Humanities)

### Organization

#### Postgraduate

#### Undergraduate

### JICA E-JUST Project

Project Name	Project for Egypt-Japan University of Science and Technology Phase 3 (Technical Cooperation)
